SPECIAL FEATURED OFFERING

PLATINUM PROOF NO. 1

THE STATUE OF LIBERTY COIN-MEDAL

Sixth Commemorative Privately-Struck by The National Commemorative Society

Designed and sculptured by Edward R. Grove of the U. S. Mint

The entire proceeds from the sale of this unique piece will go to the A. N. A. National Home & Headquarters Fund

This is the first **of only three platinum proofs in existence** of this rare numismatic masterpiece, and the only one that can be owned by a private individual. It is stamped with serial number 1 on the edge and is certified by The National Commemorative Society to be the first platinum proof of

the Statue of Liberty Coin-Medal. (Platinum Proof No. 2 of this famous work will be retained by the Society for special exhibitions. Platinum Proof No. 3 is being presented to the Smithsonian Institution for the national archives.)

39mm. in diameter, solid platinum, gem proof condition, in genuine leather presentation case with engraved nameplate. This is a true collector's item that is sure to become more valuable as the years pass.

The No. 1 platinum proofs of previous NCS Commemorative Coin-Medals have been sold at auction for as low as $2,075 and as high as $2,250. We expect this one to bring close to the previous record figure.
